Forfeits are scored 7-0. Head-to-Head is thrown out if the teams tied in points have not all played each other, or they have all beat each other in pool play.

2. **Home team is determined by a coin toss at the beginning of the game until your team is seeded**. Once your team is seeded the highest seed is the home team. This includes semi- finals and finals.

3. Standings will be posted, and updated via the webpage. It is important that each score is reported immediately after each game. Winning team is responsible for giving the final score to the home plate umpire.

Game Play

Be prepared to start at least 20 minutes before scheduled game time. If the game before you ends before your scheduled start time, we could start up to 20 minutes early.

Protest

Non-refundable protest fee of $100 cash must be given to a tournament director before any judgment will be made on a protest. Umpire judgment calls remain the judgment of the umpire on the field. These will not be overturned. Protests on a specific play must be made before another pitch is delivered.

Rain

If games are cancelled due to rain or bad field conditions 100% refunds will be given if 0 games are played due to weather. If only 1 game is played a 50% refund will be issued. If 2+ games are played, then no refunds will be given.

Time Limits

Championship play does not have time limits, but the following time limits are in effect for all pool and semi-final games:

9u -12u will play 6 innings or 1 hr. 45-minutes

Game will consist of 6 innings or 1hr 45-minute time limit, whichever comes first (no new inning may start after the one hour forty-five-minute time limit). In the inning where a time limit is reached, the Home Team bats if the game is tied, or they are behind. The game immediately ends if the home team gains the lead, or 3 outs are made. In the 9U division, a dropped third strike by the catcher will be an automatic out.

If the home team has the lead when the visiting team makes 3 outs the game immediately ends. The game ends immediately if the home team is ahead and is batting when the time limit is reached. Pool Play games may end in a tie.

Semi-Final games still have a time limit, but a winner must be determined. Championship game has no time limit, but mercy rules still apply.

Concussions – League Sports, LLC Tournaments has implemented the National Federation of State High School Associations (NFHS) protocol. "Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional in writing." The umpires in charge of the game SHALL report the Team Name, Player Name and Jersey Number to the tournament director of any player removed from a game for possible concussion. Any player that is cleared by a health care professional (no concussion) can play the next day of the tournament. Any player that does have a concussion will not be allowed to play the rest of the tournament. The language above, which appears in all NFHS Sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that the vast majority of concussions do not involve a loss of consciousness.
